Licensee Driver Records

Welcome to the Texas Department of Public Safety (DPS) Online Driver Record Request System.

Through this service, Texas Driver License Holders may request their own Driver Record online and print the Record at the end of a successful order.

[List of Driver Record Types Available](#)

This is a print-only service. You may not request to receive your Driver Record through the mail. If you do not have printer capabilities or prefer to receive your Record through the mail, you may download a [Driver Record Request form](#) from the DPS website.

This online service is provided by Texas.gov, the official website of Texas. The price of this service includes funds that support the ongoing operations and enhancements of Texas.gov, which is provided by a third party in partnership with the State.

The Texas Driving Record homepage should look like the attachment above.

Once on the page click "continue"; check the "I acknowledge" box on the next page and click continue.

You will enter information from the individual's drivers license on the next page.

The next page you will enter the "Type" of license and "Type 2" should be sufficient.

The page after that is the billing page.
